

166A.10 Restraint of movement.

Sheep from noncertified scabies-free areas within this state shall not enter certified scabies-free areas unless they have been dipped in an approved dip under supervision within ten days preceding movement and satisfactory evidence of dipping accompanies the shipment. However, such sheep may be moved into certified scabies-free areas if consigned directly to a stockyard market, auction market, or slaughter establishment, under federal inspection, provided the sheep are accompanied by a certificate of veterinary inspection stating number, description, consignor, and consignee.
